

# Welcome to the Resort Village of North Grove

## Recreation

We have four recreation areas within the Village:

1. Millennium Park: Recreation area equipped with a sandbox , playground, and abundant green space
2. Field of Dreams: Green Space and Basketball Court
3. Barney's Beach: unsupervised beach

Please see the map located on back of pamphlet for locations.

## Community Involvement

The Village of North Grove is a small community based on the foundations set in early Saskatchewan. The "good neighbor" policy holds true in this community.

Through community volunteerism our parks and green spaces are maintained and upgraded on a yearly basis. There is always a need for an extra hand. The Village greatly appreciates the numerous volunteers that makes our community to be one of the most outstanding places to live and vacation. If you wish to volunteer please contact the office.

## Concerns, Questions or Suggestions

All Question, suggestions or concerns are handled through the Village Office. Please contact the office and our administrator will be happy to answer your questions.

## Service

The Village provides the following services:

- Road maintenance; summer and winter
- Garbage/Recycling bins for household garbage

## Camping

Please note that camping is NOT permitted within the Village of North Grove

## Zoning

The Village of North Grove is comprised of Residential and Agriculture properties. There is no land zoned for commercial or industrial use.

## Garbage Bins/Recycling

The Village has garbage bins/recycling located throughout the Village. During the summer months the ten bins are emptied on a weekly basis. Off Season the bins are reduced to four and are emptied monthly.

The Village appreciate your cooperation in neatly placing items in the containers to maximize available space. Do not dispose of items such as tree cuttings, grass trimmings, tires, stoves, fridges, electronic equipment, mattress/house hold furniture or construction material in these bins. They are to be used for **household garbage only**.

Large bins are in place during the May long weekend for your convenience of spring cleanup.

## Building and Development

Please apply at the office if you are planning to demolish or build on your property. All development requires a permit including renovations, excavation and buildings under 100 sq/ft . Detailed building regulations and Bylaws are available at the office or via email at resident's request.

Please note that all shoreline development requires approval from Saskatchewan Environment
